

PRODUCT-DETAILS

2VAA008430R11

RDI02A Red. DI 16-CH, 120VAC/125VDC, SOE

| General Information  |                                                                                                                                                                             |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 2VAA008430R11                                                                                                                                                               |
| ABB Type Designation | RDI02A                                                                                                                                                                      |
| Catalog Description  | RDI02A Red. DI 16-CH, 120VAC/125VDC, SOE                                                                                                                                    |
| Long Description     | Redundant Digital Input module, 120VAC / 125VDC, Individual Channels Isolated, 10ms SOE Time-stamping with conformal coating. Use Base xBR01-FPHA, xBR01-FPNA or xBR01-EPDA |

| Additional Information |                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description     | Redundant Digital Input module, 120VAC / 125VDC, Individual Channels Isolated, 10ms SOE Time-stamping with conformal coating. Use Base xBR01-FPHA, xBR01-FPNA or xBR01-EPDA |
| Product Type           | I-O_Module                                                                                                                                                                  |

| Ordering |                                                                                                                                                                      |

Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Depth / Length | 190 mm  |
| Product Net Height         | 118 mm  |
| Product Net Width          | 34 mm   |
| Product Net Weight         | 0.23 kg |

Technical

|                          |    |
|--------------------------|----|
| Channel Type             | DI |
| Number of Input Channels | 16 |

Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
