

PRODUCT-DETAILS

3BSE022464R1

TB842 Modulebus Optical Port

| General Information  |                                                                   |
|----------------------|-------------------------------------------------------------------|
| Product ID           | 3BSE022464R1                                                      |
| ABB Type Designation | TB842                                                             |
| Catalog Description  | TB842 Modulebus Optical Port                                      |
| Long Description     | Used together with CI801 and CI840, connected via TB806 or TB846. |

| Additional Information |                                                                   |
|------------------------|-------------------------------------------------------------------|
| Medium Description     | Used together with CI801 and CI840, connected via TB806 or TB846. |
| Product Type           | Communication_Module                                              |

| Ordering |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code  | 851762 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Telephone sets, including smartphones and other telephones for cellular networks or for other wireless networks; other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a |

local or wide area network), other than transmission or reception apparatus of heading 8443, 8525, 8527 or 8528;Other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network);Machines for the reception, conversion and transmission or regeneration of voice, images or other data, including switching and routing apparatus

Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Depth / Length | 42.3 mm |
| Product Net Height         | 56.7 mm |
| Product Net Width          | 17.6 mm |
| Product Net Weight         | 0.04 kg |

Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
| SCIP                | 6bf9b994-61d1-42bd-86eb-2b54581565ce Sweden                |
