

PRODUCT-DETAILS

3BSE056767R1  
CI871K01 Profinet IO Interface

| General Information  |                                                                              |
|----------------------|------------------------------------------------------------------------------|
| Product ID           | 3BSE056767R1                                                                 |
| ABB Type Designation | CI871K01                                                                     |
| Catalog Description  | CI871K01 Profinet IO Interface                                               |
| Long Description     | Package including:<br>- CI871, Communication Interface<br>- TP867, Baseplate |

| Additional Information |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Medium Description     | Package including: - CI871, Communication Interface - TP867, Baseplate |
| Product Type           | Communication_Module                                                   |

| Ordering |                                                                                                                                                                                                                                                                                                                                        |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code  | 851762 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Telephone sets, including smartphones and other telephones for cellular networks or for other wireless networks; other apparatus for |

the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network), other than transmission or reception apparatus of heading 8443, 8525, 8527 or 8528;Other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network);Machines for the reception, conversion and transmission or regeneration of voice, images or other data, including switching and routing apparatus

|                       |          |
|-----------------------|----------|
| Customs Tariff Number | 85176200 |
|-----------------------|----------|

|                            |          |
|----------------------------|----------|
| <b>Dimensions</b>          |          |
| Product Net Depth / Length | 127.5 mm |
| Product Net Height         | 186 mm   |
| Product Net Width          | 59 mm    |
| Product Net Weight         | 0.7 kg   |

|                      |                                                            |
|----------------------|------------------------------------------------------------|
| <b>Environmental</b> |                                                            |
| RoHS Status          | Following EU Directive 2011/65/EU                          |
| WEEE Category        | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries  | 0                                                          |
| SCIP                 | 9141572c-d4ba-4dd0-a2d0-094318c7db0f Sweden                |

|                                                                                                                                                               |  |
