| ABB Type Designation | TU860                                                                                                                                                                                                                                                                                                                                                                           |
| Catalog Description  | TU860 MTU for Ethernet FCI and S800                                                                                                                                                                                                                                                                                                                                             |
| Long Description     | Ethernet Fieldbus Communication Interface Module Termination Unit for connection of single or redundant S800 I/O. Supports single or redundant Ethernet Fieldbus Communication Interface Module and single or redundant Ethernet Adapter. Mounting on vertical DIN-rail.<br>Including:<br>- 1 pcs TL814K01 Empty slot protector HI Module<br>- 2 pcs TB807 Modulebus Terminator |

| Additional Information |                                                                                                                                                                                                                                                                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description     | Ethernet Fieldbus Communication Interface Module Termination Unit for connection of single or redundant S800 I/O. Supports single or redundant Ethernet Fieldbus Communication Interface Module and single or redundant Ethernet Adapter. Mounting on vertical DIN-rail. Including: - 1 pcs TL814K01 Empty slot protector HI Module - 2 pcs TB807 Modulebus Terminator |
| Product Type           | Module_Termination_Unit                                                                                                                                                                                                                                                                                                                                                |

Ordering

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code               | 853710 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Boards, panels, consoles, desks, cabinets and other bases, equipped with two or more apparatus of heading 8535 or 8536, for electric control or the distribution of electricity, including those incorporating instruments or apparatus of Chapter 90, and numerical control apparatus, other than switching apparatus of heading 8517;For a voltage not exceeding 1 000 V |
| Customs Tariff Number | 85371098                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Depth / Length | 95.5 mm |
| Product Net Height         | 210 mm  |
| Product Net Width          | 135 mm  |
| Product Net Weight         | 0.5 kg  |

Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
