

PRODUCT-DETAILS

7PAA008524R1

EMB01S-PIO Evo Mount Base for PI01e

| General Information  |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| Product ID           | 7PAA008524R1                                                                                                     |
| ABB Type Designation | EMB01S-PIO                                                                                                       |
| Catalog Description  | EMB01S-PIO Evo Mount Base for PI01e                                                                              |
| Long Description     | Evolution Mounting Base used to mount an SDe I/O module to an EMC evolution mounting chassis.<br>Use with PI01e. |

| Additional Information |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| Medium Description     | Evolution Mounting Base used to mount an SDe I/O module to an EMC evolution mounting chassis. Use with PI01e. |
| Product Type           | Module_Termination_Unit                                                                                       |

| Ordering |                                                                                                                                                                                                                                    |
