

PRODUCT-DETAILS

DI02

DI02 16-CH, 120 VAC / 125 VDC, SOE

| General Information  |                                                                                                              |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| Product ID           | DI02                                                                                                         |
| ABB Type Designation | DI02                                                                                                         |
| Catalog Description  | DI02 16-CH, 120 VAC / 125 VDC, SOE                                                                           |
| Long Description     | 120VAC / 125VDC, Individual Channels Isolated, SOE Time-stamping. Use Base xBS01-FPH, xBS01-FPN or xBS01-EPD |

| Additional Information |            |
|------------------------|------------|
| Product Type           | I-O_Module |

| Ordering              |                                                                                                                                                                                                                                                                                                       |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code               | 853890 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Parts suitable for use solely or principally with the apparatus of heading 8535, 8536 or 8537;Other |
| Customs Tariff Number | 85389081                                                                                                                                                                                                                                                                                              |

| Dimensions                 |         |
|----------------------------|---------|
| Product Net Depth / Length | 190 mm  |
| Product Net Height         | 118 mm  |
| Product Net Width          | 34 mm   |
| Product Net Weight         | 0.23 kg |

| Technical                |    |
|--------------------------|----|
| Channel Type             | DI |
| Number of Input Channels | 16 |

| Environmental       |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
